## **ABOUT GLAMPERVAN:**

Glampervan has been manufacturing high-quality van conversions in the San Francisco Bay Area since 2015 for customers all across the country. With the onset of this year's travel challenges the demand for Glampervans is rising rapidly and we need to expand to meet the demand. We are a small but growing company that is committed to making van life more accessible to all, and strives to keep a healthy balance between building vans and enjoying the van experience.

## **JOB SUMMARY:**

The Glampervan Cabinet Assembler Associate position is an intermediate position assembling cabinets for van builds. Workers will rotate through different tasks as well as perform the same or similar tasks through the cabinet assembly process.

## **RESPONSIBILITIES:**

- Work on a team to assemble cabinets and install cabinet components for a Glampervan build out.
- Track inventory of assembly, sub-assembly, and installation parts for a particular task and request more when needed.
- Follow directions for cabinet and component assemblies.
- Resolve minor assembly and installation problems.
- Operate and use all equipment following standard work instructions, operating procedures, safety protocols.
- Practices good housekeeping by maintaining work stations, kits, neighboring areas while keeping aisles clean and accessible.
- Follow standard safety protocols.

## **REQUIREMENTS:**

- Manual dexterity and the ability to carry out complex tasks multiple times with efficiency and accuracy.
- Work quickly while maintaining a high level of craftsmanship.
- Great attention to detail with a high focus on quality
- Operate the necessary equipment in compliance with quality control standards including but not limited to hand power tools, drill press, chop saw, and table saw.

- Work well with others, communicate effectively in teams and 1-on-1 situations within the organization.
- Perform repetitive duties and stand for long periods of time.
- Possess a positive attitude and maintain a strong work ethic.
- Good initiative, be reliable, and be committed.
- Perform simple mathematical calculations.
- Ability to read shop drawings is a plus.
- Some computer skills preferred (Spreadsheets, Google Suite, Email, Web Research, Slack)
- Strong command of the English language, both written and verbal.
- Ability to lift up to 40 lbs as needed.
- Must be 18 years or older.

**EDUCATION:**

- High School or equivalent

**EXPERIENCE:**

- 1 year assembly or fabrication preferred in related field

**TYPE:**

- Contractor full-time
- Depending on Experience: pay range - \$20-\$28/hr
- Day shift. May open up weekends and night shifts in near future.

**LOCATION:**

West Oakland, California

**BENEFITS:**

- Training provided
- Daily lunch provided + snacks and drinks
- Opportunity to join the front lines of the vanlife movement both professionally and personally
